Insiders Guide:

What I loved about living here - Modern spacious flat with incredibly high ceilings and large double-glazed sash windows plus a balcony all contained within a London townhouse. Well maintained inside and outside with a sturdy building, proactive landlords and family-esque feel. Location wise it is a stone's throw from Hampstead heath and regents park – great for families, picnics and runners. The quiriness of Camden Town and the quick access to Marylebone. Parked next to the prestigious Camden Square Gardens while also benefitting from the safety of hustle and bustle of London.
